- Discussion: Marc's Sports should not be issued an entertainment license because they are within 100' of another entertainment license holder, 51 Wharf. There had not been a previous tenant within 5 years that held an entertainment license. This makes them ineligible.

- Sound Oversight Committee meeting: Alen Saric gave a quick overview of the meeting that took place today at 3:00. It was essentially a recap of what the committee is for, who sits on the committee and that it has been meeting only when a sound violation triggers a need. Moving forward, they will meet once a month and allow public comment to discuss potential sound issues.

Robyn adjourned the meeting at 4:05pm.
