DRAFT

NLOC Meeting
Wednesday August 10, 2016 at 3:30 PM
Portland Downtown – 549 Congress Street

Present: Lt. Mike Jones (PPD), Doug Fuss (Bull Feeney's), Tim Sweeton (State Theatre & Port City Music Hall), Mark Deane (Pearl), Tanner Herget (51 Wharf, Bonfire, Drink Exchange), Bruce Mills and Kristin Parquette (Amigo's), Ben Bowen (Oasis), Bob Ruminski (Mathew's), Bob Waitkevitch (Fore Play)

Board members: Sarah Martin, Erik Urbanek, Robyn Violette, Alen Saric

Staff: Taffy Eaton

1. **Introductions:** Erik opened the meeting by welcoming everyone and telling those present that Sarah Martin is taking on the position of Chair for 2016-2017. Robyn Violette will be Co-chair. Introductions were made.
2. Erik addressed the possible independence of NLOC from Portland Downtown. Denine Leeman, the Chair of the Board of Directors, has deemed that according to the bylaws, NLOC is a committee of Portland Downtown. NLOC is welcome to meet with the Portland Downtown Legal Committee if they choose or they can separate from Portland Downtown completely. It is unsure whether NLOC is registered with the state.
 - Sarah asked when NLOC was originally formed and was it registered. It was formed to address safety issues of bar owners. It is a self-policing group. It was not formed as its own 501c3. If a bar owner chooses to go before City Council as a representative of NLOC, that must be approved by the Board. A bar owner can go before City Council as an independent business owner otherwise. The Portland Downtown Executive Director and a Board member attended all the NLOC meetings in the past.
 - If NLOC chooses to act on a bar licensee, to have to go through the Board, it would add a layer to the process and delay it. NLOC receives the calls for service reports only one month prior to the bar owner going in front of city council. Erik assured the group that self-policing issues such as acting on a bar licensee, would not come under Portland Downtown Board approval- NLOC handles them.
 - Erik encouraged NLOC to differentiate between self-policing and self-advocacy. Portland Downtown Board is made up of property owners and is following their bylaws and mission statement for the betterment of Downtown. We need to make sure all committees' work is presented with Portland Downtown support.
 - Robyn explained that all Portland Downtown committees meet the same criteria. NLOC is in place to support Portland Downtown and vice versa. The bylaws should align. It benefits each group to work together and have a stronger voice as one group.

Erik and Sarah will go back to the Board with NLOC's concerns and report back in September.

Some further suggestions were:

- Bruce - have Portland Downtown form a sub-committee of bar owners and have a private advocacy group also.
- Doug – keep NLOC bylaws and create a committee that does marketing to involve restaurants and bars, to get them involved in Portland Downtown events.

Erik left the meeting following this discussion and Sarah took over as Chairperson.

3. **Review Night Life Issues/Calls for Service/License for September renewals (sent with the agenda):** Lt. Jones reviewed the calls for service in the packet
 - Empire's loud music complaints are from one person. The highest one was 83, others were in the high 60's and low 70's.
 - Reviewed the fights reported at Bonfire

4. **Other:**
 - NLOC was told late night towing would stop on Fore Street but it continues. Gary will address this at the September meeting.
 - Tanner pointed out that we don't usually have a December meeting as listed on the postcard
 - Sarah reviewed the changes made to the Service Animal legislation and the legal questions you are allowed to ask.
 - Doug spoke about street people and suggested that bar and restaurant owners make the PPD partners with your organization because these people can be dangerous.
 - Found a fake \$50, fake \$20. Hollywood money is circulating.
 - There have been break-ins in Temple St and Fore St garages. They are smashing windshields.

5. **Next meeting September 14th, 2016, 3:30pm**

Sarah adjourned the meeting at 4:40pm.
