MASTER AGREEMENT
BETWEEN THE CITY OF
PORTLAND AND
DOWNTOWN IMPROVEMENT DISTRICT,
INC.
D/b/a PORTLAND DOWNTOWN

AGREEMENT made by and between the **CITY OF PORTLAND**,
a municipal corporation of the State of Maine,
hereinafter referred to as the "**CITY**" and **DOWNTOWN**
IMPROVEMENT DISTRICT, INC., d/b/a PORTLAND DOWNTOWN, a
Maine non-profit corporation, having its office and place
of business at Portland, Maine, hereinafter referred to
as the "**CORPORATION**".

WHEREAS, the **CITY** has established a Downtown Improvement
District; and

WHEREAS, the **CITY** desires to have certain services
performed by the **CORPORATION**, as described in this
Agreement, within the **CITY's** Downtown Improvement District
(hereinafter referred to as the "**District**"; and

WHEREAS, the **CITY** desires to contract with the
CORPORATION for the provision of certain services to be
provided in the District;

NOW, THEREFORE, in consideration of the covenants herein
contained, the parties hereto mutually agree as follows:

ARTICLE I. FINANCIAL CONSIDERATIONS

1. The **CITY** will levy development district assessments on property in the District, as authorized by the City Council and permitted by law. **CITY**-owned property, as well as property which is tax exempt under Maine law, shall not be assessed by the **CITY**.
2. For the period commencing July 1, 2018 and ending June 30, 2019 the City will pay the **CORPORATION** in monthly installments, to reflect the assessments collected by the City, less the **CITY**'s direct and indirect costs, such as, but not limited to, postage, publication, lien costs and costs of delinquent collection. Installment payments will be made on the 1st of each month beginning July 2018 through and including June 1, 2019.
3. The **CITY** may adjust such payments, after an advisory consultation with representatives of the **CORPORATION** either: (i) in order to equal the net assessments collected; or (ii) in the event of any challenge to the assessments which includes a request for a refund, to withhold such amounts as the Director of Finance may deem necessary to protect the City from any order or judgment requiring it to make a refund.

In addition to the foregoing, the **CITY** will pay in a lump sum, within thirty (30) days from the close of the fiscal year, any amount assessed in a prior year, but collected in a subsequent year. Said payment by **CITY** shall be in the amount of the net assessment collected as provided herein, less any amounts remaining to be reimbursed under a prior year Master Agreement or Supplemental Services Agreement with the **CITY**. **CITY** will provide the **CORPORATION** with written detail as to any deductions taken from payments under this paragraph.

4. Advancements made hereunder shall be reimbursed to the **CITY** from receipts from development district assessments, net of any of the costs referred to in Paragraph 2.
5. Notwithstanding the foregoing, **CORPORATION** agrees that it will neither encumber funds which it anticipates receiving from development district assessments nor incur

expenditures in anticipation of receipt of such funds except in accord with the line items in the budget attached hereto as Exhibit A, or any subsequent amendments thereto approved by the **CITY**.

6. The **CITY** and the **CORPORATION** have accepted the **CORPORATION's** budget and Development Program in Exhibit A, covering the period beginning on July 1, 2018, and ending on June 30, 2019. City Council approval of the assessment mil rate provides funding to support the **CORPORATION'S** budget and Development Program.
7. The parties agree that the acceptance of the budget by the **CITY** is for planning purposes only and does not obligate the **CITY** to pay the **CORPORATION** said amounts. **CORPORATION** specifically acknowledges the **CITY's** right to either terminate or reduce its payments as provided in Paragraph 2.
8. The **CORPORATION** will provide the Director of Finance with an annual certified financial statement in a form acceptable to him, including, but not limited to, a statement of its cash position. At a minimum, the statement shall list all income and expenses, and shall be provided to the Finance Director within six (6) months after the fiscal year ends.
9. The Director of Finance of the City of Portland will advise the **CORPORATION**, from month to month, of the amounts the **CITY** has collected from the assessments referred to herein, so that the **CORPORATION** can amend its budget to conform with the amount of money which may be available to it from the net proceeds of the development district assessments.
10. The **CITY** will maintain the level of "Basic Services" described in the memorandum which is attached hereto as Exhibit B.
11. The **CORPORATION** shall have reasonable access to the **CITY's** assessment collection records, and the **CITY** shall have reasonable access to the **CORPORATION's** books and records.

12. The Director of Finance shall determine the net amount collected by the City from development district assessments. In determining such amount, he shall deduct from the amounts so collected all costs (whether direct or indirect) incurred by the **CITY** both in establishing and also in administering the development district; all costs of assessments and collections; and, if the **CITY** should collect interest on delinquent assessments, such interest shall not be included in the "net amount collected".
13. The Director of Finance shall determine the "net amount collected from development district assessments" as well as the amount to be withheld by the **CITY** in the event of a challenge which includes a request for a refund. The **CORPORATION** may appeal his determination within fourteen (14) days to the **CITY** Manager whose decision will be final.

ARTICLE III. TERM OF AGREEMENT

This Agreement shall commence on July 1, 2018, and continue through, June 30, 2019.

ARTICLE IV. TERMINATION

This Agreement may be terminated by either party for good cause. Good cause shall be deemed to be found by the **CITY** at such time as the **CORPORATION's** performance under this Agreement has been determined in the exclusive judgment of the **CITY** Manager to be unsatisfactory which determination shall not be unreasonable.

If the **CORPORATION** should fail to perform any material covenant, obligation or agreement hereunder for a period of thirty (30) days after written notice from the **CITY** Manager specifying such failure, then, upon expiration of the thirty (30) day period, the **CITY** Manager may provide the **CORPORATION** with notice of his intention to terminate the Agreement as provided herein.

Nothing herein shall be construed as giving the **CORPORATION** the right to perform the work contemplated under this Agreement beyond the time when the **CORPORATION's** services become unsatisfactory as determined by the **CITY** Manager, following the ninety (90) day notice period, or, in the event of an appeal, beyond the time the **CITY** Council has affirmed the **CITY** Manager's decision. In case the **CORPORATION** should be discharged before all the services contemplated hereunder have been completed, or the services for any reason should be stopped, either because of the expiration of the term hereof or because of the inability of the **CORPORATION** to fulfill its obligations under this Agreement, the **CORPORATION** shall be reimbursed for all services

The **CORPORATION** shall, at its own cost and expense, defend, indemnify, and hold harmless the **CITY**, its officers, agents, and employees, from and against the following:

- (a) to the fullest extent permitted by law, the **CORPORATION** shall defend, indemnify and hold harmless the **CITY**, its officers and employees, from and against all claims, damages, losses, and expenses, just or unjust, including but not limited to costs of defense, including attorney's fees, arising out of or resulting from the performance of this Agreement, provided that any such claims, damage, loss or expense is: (1)

attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss or use thereof; and (2) is caused in whole or in part by any negligent act or omission of the **CORPORATION**, anyone directly or indirectly employed by it, or anyone for whose act it may be liable;

(b) all claims and liens of the **CORPORATION's** consultants, subcontractors, and their laborers, mechanics, materialmen, and/or suppliers.

Such obligation shall not be construed either to negate or abridge any other obligation of indemnification, and shall not be limited by any provision for insurance contained in this Agreement.

ARTICLE XI. INSURANCE

Neither the **CORPORATION** nor any of its subcontractors shall commence work under this Agreement until they have provided the insurance coverage required by this Agreement and such coverage has been approved by the **CITY**.

Prior to the execution of this Agreement, the **CORPORATION** will procure and maintain occurrence-based Automobile Liability Insurance and Commercial General Liability Insurance coverage in amounts of not less than Four Hundred Thousand Dollars (\$400,000.00) per occurrence for bodily injury, death and property damage, naming the **CITY** as an additional insured thereon, and also Workers' Compensation Insurance coverage to the extent required by law. With respect to the Automobile and Commercial General Liability Insurance, the **CORPORATION** shall name the **CITY** as an additional insured for coverage only in those areas where government immunity has been expressly waived by 14 M.R.S. A. § 8104-A, as limited by § 8104-B, and § 8111. This provision shall not be deemed a waiver of any defenses, immunities or limitations of liability or damages available to the **CITY** under the Maine Tort Claims Act, other Maine statutory law, judicial precedent, common law, or any other defenses, immunities or limitations of liability available to the **CITY**. Prior to execution of this Agreement, the **CORPORATION** shall furnish the **CITY** and thereafter maintain certificates evidencing all such coverages, which certificates shall guarantee thirty (30) days' notice to the **CITY** of termination of insurance from the insurance provider or agent. **CORPORATION**

A certificate that merely has a box checked under "Addl Insr," or the like, or that merely states the City of Portland is named as an Additional Insured, will not be acceptable. The Workers' Compensation insurance shall include an endorsement waiving all rights of subrogation against the City of Portland, its officers or employees. Upon CITY'S request, CONTRACTOR shall provide CITY with a complete copy of any of the above-referenced policies. CONTRACTOR shall be responsible for any and all deductibles and/or self-insured retentions.

ARTICLE XII. INDEPENDENT CONTRACTOR

The **CORPORATION** either has or will secure, at its own expense, all personnel, materials, and equipment required to perform its obligation under this Agreement. Its personnel shall neither include any employee of the **CITY** nor shall such personnel be deemed to have any contractual relationship with the **CITY** by virtue of this Agreement. This Agreement does not prohibit either the **CORPORATION** or the **CITY** from entering into any contractual relationship. The **CORPORATION**, agreeing expressly that its status is that of an independent contractor, further, agrees that no such personnel shall represent or hold himself or herself out to be an officer or employee of the **CITY** either by reason of this Agreement or by reason of his/her employment by the **CORPORATION** or its subcontractors.

ARTICLE XIII. SUBCONTRACTS

The **CORPORATION** may, after thirty (30) days' notice in advance to the **CITY** Manager of its intention to do so, and with his approval, which shall not be unreasonably withheld, subcontract with third parties for the provision of part or all of the public services, including, but not limited to, security services, trash and litter removal, and snow removal, under this Agreement. EXHIBIT B TO MASTER AGREEMENT
(BASELINE SERVICES)

**MEMORANDUM RELATED TO THE
PROVISION OF CERTAIN SERVICES
BY THE CITY OF PORTLAND**

(July 1, 2018 - June 30, 2019)

This Memorandum relating to the provision of certain services attempts to define the baseline of City services agreed to be provided by the City to the area defined and designated as the Downtown Improvement District as passed by the City Council on March 16, 1992 (Council Order #306, as amended on February 22, 1995, by Council Order #185; and again amended on March 1, 2004 by Council order #158). This Memorandum is not binding upon the current City Council or any future City Council, but rather is a definition of the City's intent and good faith to provide services to the Downtown Improvement District zone.

It is generally understood that the City shall not reduce any of these usual and normal baseline services, thus requiring the same services to be provided by the Downtown Improvement District, Inc. (d/b/a Portland Downtown (PD) or its successors, unless these reductions are part of an overall reduction of City services provided by various departments to the City as a whole.

MAINTENANCE SERVICES.

Whereas it is the intention of any downtown improvement district maintenance program to complement existing City services currently provided with a supplementary program of cleaning and/or maintenance, the following information shall comprise the baseline of City services to be provided at City expense. Unless otherwise noted, services to be provided by the City shall apply only to the area(s) considered part of the public way.

1) **Horticultural Program.**

In all public areas within the downtown improvement district zone, the City's Parks and Recreation Department will maintain and improve the condition of all flower urns and other flowerbeds, trees, tree wells, bushes, plantings and other like horticultural amenities. Such activity shall include the initial

planting, timely and appropriate maintenance, preventative and otherwise, and expeditious replacement of any damaged, destroyed or diseased horticultural products, including grass, flowers, and trees. Specific areas of attention will include Longfellow Square, Congress Square, Monument Square, Tommy's Park, Post Office Park, Boothby Square, and any other public park, square or space which may be developed in the future.

2) Green Space Maintenance.

The City shall execute a green space maintenance program including mowing of all public grassed areas within the District.

3) Downtown Blitz.

Each year the City shall undertake a dedicated effort to repair, repaint, replace and correct any defects, deficiencies or problems in the district. Items of focus shall include light and utility poles, sidewalks, curbstones, trashcans, benches, signs, crosswalk markings, traffic signals, tree wells, planters, benches, trees, kiosks, shelters, bollards, and any other amenity that is now or at some point in the future may be installed. This program will be undertaken as early as possible each spring and conclude as rapidly as possible. Performance of some activities, i.e. painting, will take place annually as conditions permit. Major capital activity or the reconstruction and/or repair of significant infrastructure (street paving, sewer work, etc.) would not be considered part of this blitz program.

4) Sidewalk Repair.

To the extent it is funded, the City will undertake an on-going sidewalk repair program to re-grout existing sidewalks and replace bituminous sidewalk repairs with permanent repairs.

5) Street Sweeping.

All streets or parts thereof included in the downtown improvement district zone will be swept from curb line to curb line once per week.

6) Trash Removal.

Daily and when necessary emptying of all public trash receptacles in the downtown improvement district zone and disposal of resulting waste.

7) Holiday Decorations.

Installation and removal of downtown Holiday decorations throughout the District to include Christmas trees at Monument Square and City Hall Plaza, string lights on light poles and common area trees such as Tommy's Park, and banners as agreed by the City and PDD, and provide for electrical energy related costs.

8) Snow Plowing.

The City will plow and remove snow as necessary from all streets and parts thereof in the downtown improvement district zone.

9) Streetscape Amenity Maintenance.

The City will repair and correct any defects, deficiencies or problems in the district as necessary. Items of focus include light and utility poles, sidewalks, curbstones, trashcans, signs, crosswalk markings, traffic signals, tree wells, planters, benches, trees, kiosks, shelters, bollards, and any other amenity that are now or at some point in the future may be installed. All repairs, etc. will take place within a reasonable time after notice of need.

10) Lighting.

Maintenance and replacement of all street lights and traffic signals and payment for necessary electrical energy.

11) Graffiti removal on public property.

12) Prioritization

PD shall have the opportunity to participate with City staff from the Department of Public Works in the prioritization of all proposed capital improvement projects within the District including, but not limited to, tree well reconstruction and sidewalk repairs. PD officials recognize that City staff also work closely with the City Manager's office and the City Council for project priorities.

POLICE SERVICES.

- 1) A minimum of four uniformed patrol officers will intersect all or part of the downtown improvement district area. The actual number of officers will vary depending upon time of day and day of week. During periods when calls for service are typically at their peak, the number of officers assigned will increase significantly, for example during weekend evenings and the summer months. This increase will include foot and bicycle patrols. Officers will be supported with additional personnel (supervisors, detectives, evidence technicians) as necessary.
- 2) As long as the Senior Lead Officer Program is in effect, at least one Senior Lead Officer will be assigned to the Downtown Improvement District area.
- 3) From the Friday following Thanksgiving to New Year's Day, patrol efforts will be supplemented by use of a foot patrol. The number of officers and hours of the assignment is dependent upon staffing levels. Every effort will be made to assign two officers during those hours that retail shops are open.

OTHER MUNICIPAL SERVICES.

Whereas it is the intention of any downtown improvement district program to complement existing City services currently provided by departments or divisions, other than those described above, with supplemental services, the following information shall comprise the baseline of other City services to be provided at City expense.

- 1) Coordination of the use of downtown's public spaces within the District.
- 2) Coordination and staffing City services required for events occurring in downtown Portland.
- 3) As previously existing events, the City will provide necessary services to support the annual Tree Lighting Ceremony and the annual one-day Old Port Festival within the boundaries established by City Council order #168-21/13; to wit: the area bordered by Congress, Pearl, Commercial, Center, Union and Temple Streets and including both sidewalks of Commercial Street with no costs charged to the PDD for these events.

MEMORANDUM RELATED TO THE
SUPPLEMENTAL SERVICES AGREEMENT (SSA) BETWEEN
THE DOWNTOWN IMPROVEMENT DISTRICT dba PORTLAND
DOWNTOWN (PD)
AND
THE CITY OF PORTLAND (City)

(July 1, 2018 - June 30, 2019)

This memorandum is a good faith attempt to define certain services, programs and events, and to achieve an improved level of satisfaction for both the **City** and **PD**. It is generally understood that the City's Baseline Services, as articulated in Exhibit B of the Master Agreement, do not overlap or replace the services and programs incorporated in the SSA.

Also, listed are the specific special events produced by **PD** for the benefit of the **City** and its property owners, residents, businesses and visitors, during the contract period.

The ongoing relationship between **PD** and the **City** has evolved, along with the needs and expectations of both parties. The goal of this document is to improve coordination, establish priorities, clarify services and responsibilities, and list events covered under the terms and conditions of the SSA. The result will be to produce a more proactive, performance-based approach to the maintenance, cleanliness and overall attractiveness of downtown Portland.

1. FY 2019 City Personnel Work Plan

The City personnel assigned to perform services under the Supplemental Services Agreement are expressed in the FY2019 Portland Public Works Budget detail. For the current period of July 1, 2018 through June 30, 2019 these personnel are:

1. (1) Public Works Supervisor
2. (1) PD Steward
3. (3) Three Maintenance Workers
4. (2) Seasonal Laborers

Staffing levels may change on an occasion to account for employee leave coverage, emergencies or other unforeseen circumstances. However the City of Portland, Department of Public Works commits to continue to provide the general list of services provided by these personnel under the SSA.

- 1.1 The general list of services provided by these personnel is identified within the SSA under item 1.3. These shall not overlap services provided within Baseline Services (Exhibit B to Master Agreement).
- 1.2 The Public Works Supervisor shall inspect the entirety of **PD at least once** every two weeks. During this inspection particular attention shall be focused on, but not limited to, the overall cleanliness and maintenance of the sidewalks, streets, trash containers, graffiti removal, open spaces, furniture and fixtures, lights, signage, the visitor kiosk and public restrooms. The status of projects or work orders in process should be continually updated. The results of each inspection shall be logged and documented; a monthly report will be presented to the Executive Director of PD every month.

- 1.3 The Public Works Supervisor shall direct the maintenance personnel on their daily responsibilities by producing a weekly schedule highlighting project activities and goals. The Supervisor will participate and assist the team in achieving project activities, as needed.
- 1.4 Horticultural and landscaping duties shall be in support of City personnel and departments assigned to these tasks. PD dedicated personnel should assist (for instance with weed control and seeding) on an as needed basis, as time and normally assigned duties allow. Requests for assistance should be communicated via email to the PD Public Works Supervisor.
- 1.5 Sidewalk plowing and snow removal at intersections should be accomplished as soon as is reasonably possible during and following a snow event. If a yellow ban is called, sidewalk snow removal, as indicated in sections 1.3.1 and 1.3.2 of the SSA, should be completed within the same timeframe as city personnel and contracted partners remove snow from the District's streets and parking areas. The Department of Public Works will organize an annual winter briefing with the PD public works team and downtown contract partners that remove snow on sidewalks and plazas to review best practices regarding coordinating work activity. This meeting will typically occur in late fall/early winter. PD's Downtown Experience Liaison (DEL) should be present at this meeting.
- 1.6 "Quick response" repairs, such as missing bricks, landscaping damage or graffiti removal on public property

shall be performed by **PD** personnel, as soon as possible. **PD** and **City** will jointly approve each quick response, as needed.

- 1.7 **PD** and **City** will meet annually to discuss the prioritization of larger projects within the District generally included in baseline services or CIP, and managed by other **City** teams or departments. These include, but are not limited to, major sidewalk repairs, tree well rehabilitation, landscape installations and other reconstruction projects. These District projects will be prioritized with input from **PD**, and may include **PD** personnel in their execution. Progress and status shall be monitored by the **PD** supervisor, and updated as part of the monthly reporting.
- 1.8 **PD** will monitor responsiveness of City teams through specific PD access to "See, Click and Fix" software. PD will also track the activities of downtown PW staff to ensure that daily activities are in-line with section 1.3 of the SSA. Data will be reported to the PW Director by PD's Downtown Experience Liaison (DEL) during the monthly meeting, as outlined in Article VIII of the Master Agreement and article 1.3.3 in the SSA.
- 1.9 **PD** dedicated personnel will wear approved uniforms and work clothes at all times when on duty. **City** and **PD** agree to work jointly on uniform decisions, including recommendations on an alternative uniform for PD personnel.

2. FY2019 PD Event Support Plan

PD and the **City** recognize the value that well executed events bring to the vitality and

economic development of the downtown. To that end, **PD** agrees to follow the **City's** established permitting process and with the exception of the events as outlined in Exhibit B, Baseline Services, agrees to reimburse the City for actual expenses, as agreed to by both parties, required to support these events.

In FY2019, **PD** is planning major events that require a level of support by **City** personnel. Following is a complete list of events, some of which require City permitting, street closures, and the assistance of various City Departments. **PD** will make all efforts to incorporate recycling at all produced events, with support of the **City** staff, volunteers and supplied receptacles.

- 2.1 Summer Kick-Off Weekend (SKW): This event series begins on the second Friday in June with Square Hop from 6pm to 8pm. On Saturday, Shop For A Cause and Walk the Working Waterfront. On Sunday, The Old Port Festival (OPF) which requires closure of streets generally in the Old Port area. The other SKW events do not require street closures. SKW ends following the end of the OPF.
- 2.2 Light Up Your Holiday Celebration (LUYH):
 - This annual roster of events begins with the Annual Tree lighting in Monument Square on the Friday after Thanksgiving. The Tree Lighting requires set up and some street closures, along with minor transit re-routing around Monument Square. PD coordinates with the City Arborist on the selection of and transport of the tree to Monument Square. Other events in the LUYH event series include: Horse-drawn carriage rides, Merry Madness, Shop For A Cause Day, Elfternoon Lunchtime Shopping, and the Holiday Window Display Contest. Merry Madness may require minor street closures and additional City personnel, depending on the selected event location. LUYH events end December 16, 2018.

- 2.3 Downtown Worker Appreciation Day - Generally held in early May to recognize downtown employees. **City** and **PD** provide set up and management of 3 stations located at the Portland Museum of Art, Monument Square and Tommy's Park.
- 2.4 Police Awards Breakfast: Held in early winter at a downtown venue, this day honors both police and civilian heroes going above and beyond the call of duty. No permits or special services are required for this event.
- 2.5 Winter Lights by Pandora - Lights are installed on street poles and in downtown parks around the time that Day Light Savings Time ends in the late fall, and de-installed in February or March. Winter Lights are fully funded through PD's budget, while the City supplies the electricity. Storage for the lights is donated by MECA. Pandora provides labor for the installation and maintenance of the lights.
