LOVE NOTES

A Portland Downtown Project

A little love can go a long way! **Share your love for local** by creating your own handwritten & heartfelt love note that will be shared on Portland Downtown's Facebook & Instagram on **Valentine's Day**. Be creative and have fun with it! Here are just a few ideas:

- Tell us which local businesses make you swoon (and why).
- Write a poem or haiku celebrating your favorite downtown shop or restaurant.
- Express your love with a cute illustration – let your artistic side shine!

Drop this postcard in our **Official Love Notes Drop Box** at the Portland Downtown office (549 Congress Street) or mail it to us by February 8th. Thank you for sharing the love!
